Our Quality Guarantee

We work closely with our Dutch growers to ensure that only the best quality flower bulbs and perennials are selected for this program. With staff on the ground in Holland, we go to great lengths to guarantee that our product is grown, delivered and packaged to the highest degree possible. If for any reason you are not totally satisfied with your product upon delivery, we will replace any item. Our success depends upon your success!

When your order arrives...

Once you receive your order, you will be pleased to find that each item you purchased comes with a full color label that provides you with all the information you need to have success in the garden. Each label contains a bar code, the bulb size, plant height, proper spacing, where to plant, plus other features that will assist your customers in growing a beautiful bulb garden.
